Name of the animal owner:	
Street:	
residence:	
E-Mail:	
phone:	
animal name:	
veterinarian:	
gender:	
breed:	
age:	

Please answer the following questions: (block capitals)

1. current problems / symptoms / current diagnoses:

--

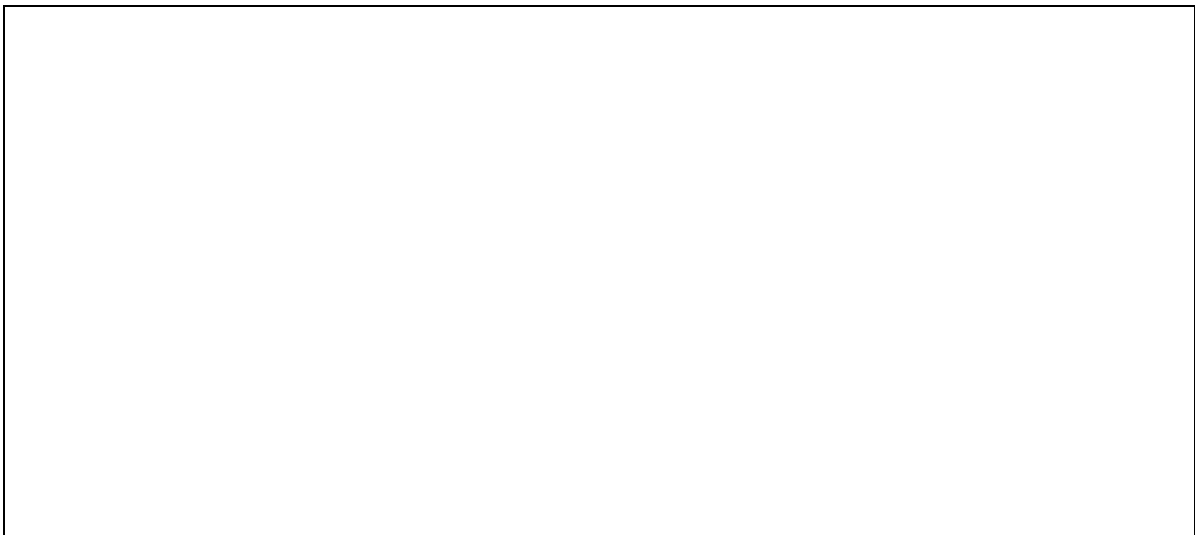

2. atual feeding / supplementary feeding:

3. feeding condition of the animal (is your animal: fat, normal, thin):

4. vaccinations / medication / surgery / deworming in the last 6 months:

**To be completed exclusively for horse owners:**

**Especially horses with laminitis / hoof problems:**

5. hoof treatment of the last 6 months (shoeing, barefoot, plaster, etc.):

6. current husbandry (indoor box, outdoor box, open stall, outdoor run, daily grazing time):

As soon as we have received the completed medical history form with the hair samples and the invoice amount of CHF 120.- has been transferred, we will prepare the hair analysis and send you the result within the next 5 working days.

For the transfer please use the following payment slip

Important note: Hair analysis and name of the animal.
